

Essential information to help you choose your vehicle

NOTES - This catalogue does not represent contractual documentation, rather only general information. SEA S.p.A. reserves the right to change the features and fitting of any of its models without prior notice; all data contained in this brochure is therefore to be considered as indicative and nonbinding. For the above reasons, all information relating to the specifications and equipment of each model must be requested prior to purchase from the dealer, who, as the sole contact person, will confirm or correct the data published by updating the customer on the characteristics and actual equipment of the relevant vehicle being negotiated. Despite careful content checks, possible printing and/or translation errors cannot be excluded. This catalogue does not constitute contractual documentation. Any reproduction, even partial, of the text or contents of this document is prohibited. We disclaim all liability in the event of structural modifications made to the vehicle; any assembly, disassembly or modifications carried out at unauthorised workshops may endanger your safety and also lead to the voiding of warranty clauses. For more information on installation and technical details, please contact the authorised sales network.
